OFFICE OF SPECIAL EDUCATION AND REHABILITATIVE SERVICES

July 1, 2022

Honorable Alfred Ada
Commissioner of Education
Commonwealth of the Northern Mariana Islands Public School System
P.O. Box 501370 CK
Saipan, Northern Mariana Islands 96950

Dear Commissioner Ada:

We have approved the Commonwealth of the Northern Mariana Islands' (CNMI) application for Federal fiscal year (FFY) 2022 funds, under Part C of the Individuals with Disabilities Education Act (IDEA Part C). Our approval is based on our review of the IDEA Part C application, submitted by the CNMI Public School System (PSS) to the U.S. Department of Education (Department), Office of Special Education Programs (OSEP), on May 8, 2022. The effective date of this grant award is July 1, 2022.

Our approval of the CNMI's FFY 2022 IDEA Part C grant includes approval of policies, procedures, methods, descriptions, assurances, and certifications identified in Section II.A, II.B, and II.C, which is incorporated by reference to this grant award letter as Enclosure A. Our approval is also based on the CNMI's certification in Section II.D of its FFY 2022 application (Enclosure B), that the CNMI's provisions meet the requirements of IDEA Part C as found in 20 U.S.C. §§ 1431 through 1443 and the regulations in 34 C.F.R. Part 303, and that the CNMI will operate its Part C program in accordance with all of the IDEA Part C requirements including required policies, procedures, methods, descriptions, assurances and certifications. See 34 C.F.R. § 76.104.

The CNMI's FFY 2022 IDEA Part C grant award is also being released subject to Specific Conditions (which are reflected in Enclosure C to this letter and incorporated in this grant letter by this reference). These Specific Conditions are being imposed by OSEP pursuant to the Department's authority in IDEA Sections 616(g) and 642 and 2 C.F.R. §§ 200.207 and 3474.10. Enclosure C is the Department's June 29, 2022 letter that imposes Specific Conditions on the CNMI's Government for all Department grants to the CNMI (including the IDEA Part C FFY 2022 grant) to ensure fiscal accountability of grant funds. By accepting this grant award, the CNMI expressly agrees to comply with the Specific Conditions identified in Enclosure C throughout the period the CNMI PSS uses its IDEA Part C FFY 2022 funds.

Enclosed is the CNMI's FFY 2022 grant award for funds currently available under the Consolidated Appropriations Act, 2022 (Public Law 117-103) for the IDEA Part C program. These funds are available for obligation by IDEA grant recipients from July 1, 2022, through September 30, 2024, in accordance with 34 C.F.R. § 76.709.

Under IDEA Section 605, and 2 C.F.R. Part 200, and 34 C.F.R. § 303.104, the CNMI must obtain prior approval to charge certain expenses as direct costs. On October 29, 2019, the Office of Special Education and Rehabilitative Services (OSERS) released a Frequently Asked

Questions (2019 FAQs) document on prior approval.¹ The CNMI did not identify any such costs in Section III of its grant application. If the CNMI plans to use its FFY 2022 IDEA Part C grant funds for such costs, and those costs fall outside of the scope of the FAQ, it must submit a request for prior approval to which OSEP will respond separate from the grant letter.

Section IV.B of the IDEA Part C FFY 2022 application requested updated information about how your lead agency implements the restricted indirect cost rate requirements in 34 C.F.R. § 303.225(c). The CNMI indicated in Section IV.B that the CNMI PSS is a State Educational Agency (SEA) and works directly with the Department’s Indirect Cost Division to ensure that indirect costs are only charged on a restricted basis to the State’s IDEA Part C grant. CNMI PSS had a provisional restricted indirect cost rate (RICR) of 3.8% under a September 13, 2021 RICR agreement, which expires on September 30, 2022. CNMI PSS must submit its RICR proposal to the Department’s Indirect Cost Unit to be able to bill indirect costs to the IDEA Part C FFY 2022 grant. Under 2 C.F.R. § 200.210(a)(15), by accepting this IDEA Part C grant award, the CNMI lead agency is agreeing to charge indirect costs on a restricted basis for the period that the CNMI uses any funds awarded under this FFY 2022 IDEA Part C grant award and will submit any changes to its restricted indirect cost rate agreement to the Department’s Indirect Cost Division.

Section 604 of the IDEA provides that “[a] State shall not be immune under the 11th amendment to the Constitution of the United States from suit in Federal court for a violation of this [Act].” Section 606 provides that each recipient of assistance under IDEA make positive efforts to employ and advance in employment qualified individuals with disabilities in programs assisted under the IDEA. Therefore, by accepting this grant, the CNMI is expressly agreeing as a condition of IDEA funding to a waiver of Eleventh Amendment immunity and to ensuring that positive efforts are made to employ and advance employment of qualified individuals with disabilities in programs assisted under the IDEA.

The enclosed grant award of FFY 2022 funds is made with the continued understanding that this Office may, from time to time, require clarification of information within your application, if necessary. These inquiries may be necessary to allow us to appropriately carry out our administrative responsibilities related to IDEA Part C.

If the CNMI revises those IDEA Part C policies or procedures that are required under Part C of the IDEA or the regulations in 34 C.F.R. Part 303, the CNMI must subject those policies and procedures to the public participation requirements in 34 C.F.R. § 303.208 and receive OSEP approval for those policies and procedures referenced in 34 C.F.R. § 303.101(c) prior to their implementation.

As a reminder, all prime recipients of IDEA (Part B or Part C) funds must report subaward information as required by the Federal Funding Accountability and Transparency Act of 2006 (FFATA), as amended in 2008. First-tier subaward information must be reported by the end of the following month from when the award was made or obligated. FFATA guidance is found at

¹Prior approval must be obtained under IDEA for the following direct costs: (1) equipment (2 C.F.R. § 200.1 and 34 C.F.R. § 303.104); (2) participant support costs (2 C.F.R. § 200.1); (3) rent (2 C.F.R. § 200.465 and 34 C.F.R. § 303.225(d)); and capital improvements (IDEA Section 605 and 34 C.F.R. § 303.104). Under the 2019 FAQs, OSERS granted prior approval for participant support costs under IDEA that: are associated with State Interagency Coordinating Councils; incurred during the provision of services under IDEA; do not exceed \$5000 per individual participant per training/conference. In addition, the 2019 FAQs provide prior approval for equipment that is identified on or directly related to the implementation of the IFSP.

We appreciate your ongoing commitment to the provision of quality early intervention services to infants and toddlers with disabilities and their families.

Sincerely,

Valerie C. Williams

Dear Commissioner Ada:

The purpose of this letter is to inform you that the U.S. Department of Education (Department) is carrying forward the FFY 2021 Departmentwide specific conditions placed on grants awarded to the Commonwealth of the Northern Mariana Islands Public School System (CNMI PSS) for FFY 2022 until your most recent audit reports can be reviewed.

The decision to carry forward the current specific conditions is based on CNMI PSS completing pending single audits for FY2020 and FY2021. We acknowledge and commend CNMI PSS for expeditiously procuring the services of Ernst & Young as the new CPA firm to re-do the FY 2018 single audit report in response to the determination by the U.S. Department of Education Office of Inspector General (OIG) Quality Control Review (QCR) that the FY 2018 single audit performed by the CPA firm Burger & Comer, P.C. on behalf of CNMI PSS was deficient.

The Department has completed its review of the FY 2018 single audit report, which received an unqualified opinion. The anticipated completion date for completing the outstanding audits is June 30, 2022. A final determination regarding the possible removal of the Departmentwide specific conditions will be rendered by the Department, once these audit reports have been reviewed.

If you have any questions or require further assistance, please have your staff contact Christine Jackson, the primary contact for CNMI PSS within the Grants Risk Management Services Division of the Office of Acquisition, Grants, and Risk Management (OAGRM), Office of Finance and Operations, at (202) 615-3663 or via e-mail at christine.jackson@ed.gov.

We look forward to continuing to work with you to improve the delivery of Federal education and related services to children and youth in the CNMI.

Sincerely,
