

Parent Portal Login

<https://cnmipss.infinitecampus.org/campus/portal/nmi.jsp>

If you are a parent and/or guardian who had filled out your child's online annual re-enrollment or new student's registration form, then you should have received an email from "noreply@cnmipssmp.mg.infinitecampus.org" that contains your "Activation Key". This key is what you will need to create your new Parent Portal account.

Please note the following:

1. The email containing your unique key will be sent automatically by the system once your household's registration has been processed by the district office.
2. An email with a unique key will be sent to all those identified in the household registration as a parent or a guardian.

Step 1: Click on "Campus Parent".

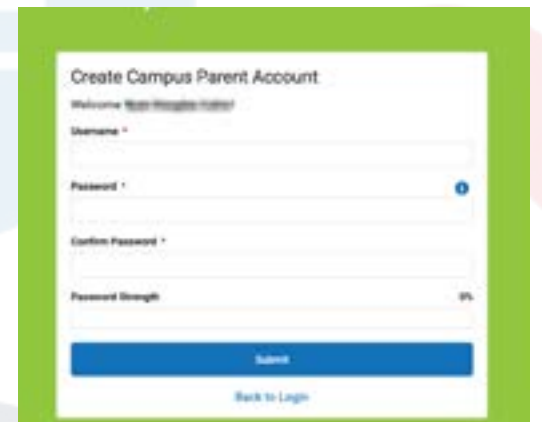

To create your new account, you may click on the link provided in the email you received containing your activation key. You may also scan the QR code at the upper right corner of this document. The URL is also located above. Once you are able to open this page, click on "Campus Parent".

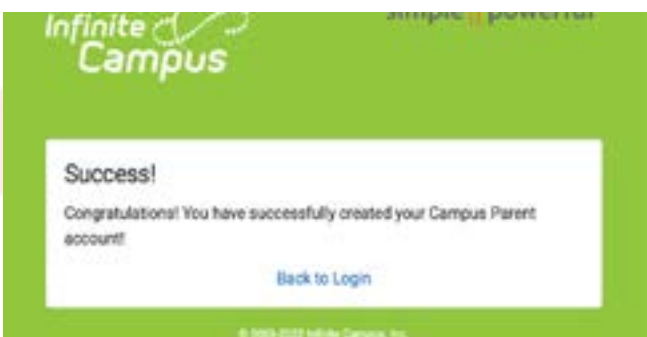

Step 2: Click on "New User?"

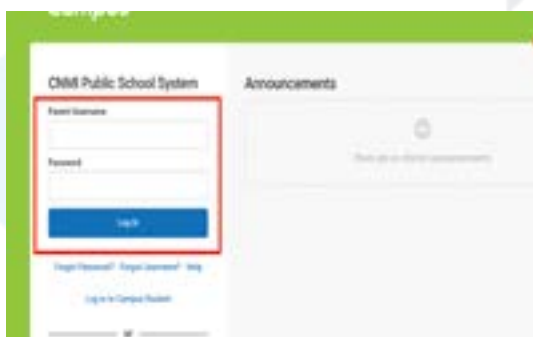

Step 3: Enter your activation key, which is a long alphanumeric string *with* hyphens/dashes.

Step 4: Create a unique username and password for your account.

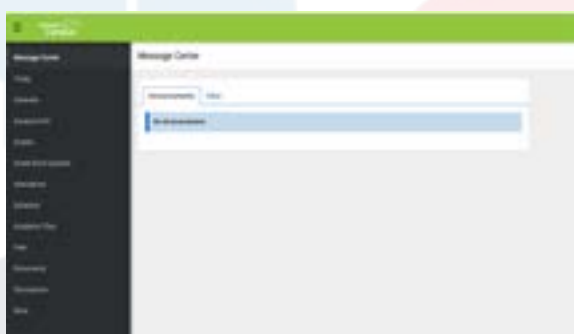

Step 5: Click on "Back to Login".

Step 6: Log in with your new username and password.

Step 7: Enter your personal email address. This email address will be needed for when you forget your password or username. Campus password is the password you created for your account.

Step 8: Explore your new Campus Parent Portal!
